On 13 November the 5-man team, which had been operating north of Korce and had requested supplies for 200 men, exfiltrated to Greece because they were unable to find suitable winter quarters for a W/T base. They reported that the net established is secure and the leaders ready to take action on 24-hours notice.

One team remains inside Albania. Recent W/T messages suggest the team is controlled. To establish the facts one or two members will be instructed to exfiltrate.

Two Albanians who exfiltrated to Greece on 24-25 October reported four members of one of our teams are in jail in Yugoslavia.

There were no resupply or propaganda supply drops during November.

The British carried out a successful leaflet raid on 9-10 November; 500,000 leaflets were dropped.

The covert radio maintained regular broadcast schedule.

The NCPA semi-monthly newspaper was printed on schedule. 50,000 copies of the miniature edition were printed and sent to Athens for use in air drops over Albania.

The News Bulletin, printed irregularly in English, French, and Italian, published its 13th issue on 24 October.

An official of the Albanian Legation in Rome attempted to defect Mr. Hasan Dosti, Chairman of the NCPA. Dosti states he formally rejected the proposal. The approach to Dosti was made on 18 November.
